Dear (future) On-boarding Partner,

In order to get connected to the EU Hub, pharmaceutical companies are requested to pay an On-boarding Fee to the European Medicines Verification Organisation (EMVO).

EMVO kindly reminds you that, as it has been already announced in December 2017, another 50% rise in the On-boarding fee will be applied as from 15th of June 2018.

The application of the 50% rise in the amount to be invoiced to the On-boarding Partners (OBPs) will be applicable from the 15th of June 2018. All OBPs that will have uploaded a valid Participation Agreement in step 2.3 of the OBP Portal, signed by their named Authorised Representative, provided a valid copy of proof (step 1.2), and submitted their invoicing information form duly filled-in before that date (step 2.6), will benefit from the current rate.

Please find below the table of EMVO's On-boarding fee¹.

| OBPs with more than 12 MAHs in Europe | Early Bird 20,000 € | From the 15th of January 2018 30,000 € | From the 15th of June 2018 45,000 € |
