

Training video: The On-boarding Partner Portal

Dear all,

EMVO has the pleasure to announce that the training video about the On-boarding Partner Portal is now available on the EMVO website.

This video will allow the On-boarding Partners (OBPs) to get acquainted with the on-boarding process and its diverse steps and requirements before starting to effectively on-board. Furthermore, it may constitute a tool aiming at answering questions and clarify uncertainties as well.

This video can be consulted on the EMVO website at the following link:
