

LETTER OF ANNOUNCEMENT
EU Hub Release 1.7 – OBP Testing Period in IQE

27th February 2020

Dear all,

EMVO would like to provide you with additional information related to the next **EU Hub Release 1.7** and the allocated testing period.

Please note that **three weeks** will be granted for testing in the IQE environment, **planned to start end of March/ early April 2020**. A fixed date will be communicated in due time.

In addition, Release 1.7 will neither impact the OBPs nor the National Systems' interface. This Release constitutes minimal impact for the OBPs.

In case you are experiencing any issues throughout the three week testing phase, please contact our Helpdesk (helpdesk@emvo-medicines.eu).

For further details regarding the **Release 1.7 functionalities**, please consult the relevant [Letter of Announcement](#) which has been circulated to you on the 17th February 2020.

In the event of any questions or uncertainty, please do not hesitate to contact our Helpdesk:
