

LETTER OF ANNOUNCEMENT
EU Hub Release 1.9: Deployment date for PRD

26th May 2021

Based on the **successful** Interoperability Test (IOT), EMVO confirms the official deployment date of Release 1.9 in PRD of the EU Hub:

- Release 1.9 will be ready for use in PRD at 04:00 (CEST) on **5th June 2021**.
- There is a requirement for **planned downtime** to be associated with the deployment. The downtime will begin at 20:00 (CEST) on 4th June and end, at the latest, at 04:00 (CEST) on 5th June.

The functionality changes associated with Release 1.9 are detailed within our previous [Letter of Announcement](#).

Additionally, note that the Technical Documentation, including the Release Note and Software Development Kit (SDK), associated with Release 1.9 is available in the Technical Information Pack on the OBP Portal. From now on, new and existing Endpoint information will be integrated in the SDK documents.

EMVO will provide any necessary updates regarding the deployment of Release 1.9 to the PRD Environment in due course.

Should you have further questions about Release 1.9, please do not hesitate to contact our Helpdesk.
