

LETTER OF ANNOUNCEMENT
Alert Management System (AMS) – Pilot Phase and Information Sessions

13th October 2021

EMVO is delighted to announce that the Pilot phase of the Alert Management System (AMS) project has started as planned on October 4th. The AMS Hub SDKs and API specifications as well as the AMS Portal User manual and additional training materials are now available in the Technical Info Pack section (step 4.1) of your OBP Portal.

To engage the whole community, EMVO will organise four (4) information sessions dedicated to the AMS Portal. Please find below more information for each session and note that attendance per session is limited to 250 participants. The sessions will be recorded and made available following each meeting.

You can register for a session of your choosing by clicking on the link below. Due to the limited capacity, we kindly ask you to register for **only one session**.

- [Register for the session on Tuesday, October 26th from 11:00 to 12:00 CEST](#)
- [Register for the session on Tuesday, November 2nd from 11:00 to 12:00 CET](#)
- [Register for the session on Tuesday, November 9th from 11:00 to 12:00 CET](#)
- [Register for the session on Monday, November 15th from 14:00 to 15:00 CET](#)

Kindly note that to provide a complete demonstration of the AMS Portal, there will be no Q&A section. However, all questions can be sent to ams.fmd@emvo-medicines.eu.

Please do not hesitate to forward this communication to any relevant person within your organisation
