

LETTER OF ANNOUNCEMENT
Webcast Series – OBP Data Upload Quality

9th May 2022

EMVO is excited to share the second episode of the *EMVO Webcast series* – a series of remote training sessions and webcasts aimed at providing you with useful information on a diverse set of topics related to the EMVS.

This episode focuses on the quality of OBP data uploaded to the EU Hub. We encourage you to consult the [EMVS Master Data Guide](#) which goes hand in hand with the training.

The recording is accessible [here](#) and on EMVO's website (Knowledge Database → Videos) where you can also check out the first webinar on "EU FMD Designated Wholesalers". We will continue to notify you as soon as new training sessions are available on the website.

In case of uncertainties or questions related to the trainings, please do not hesitate to contact our helpdesk:
