

LETTER OF ANNOUNCEMENT
Alert Management System – End-to-End demonstration

10th June 2022

EMVO is delighted to organise the first full **End-to-End demonstration of the Alert Management System (AMS)**. This session is open to the entire EMVS Community and will take place on **June 23rd** from **10:00 to 11:30 CEST**.

The session will demonstrate the way EMVO's AMS functions as an alert management tool when connected to National Alert Management Systems. In order to render this session as realistic as possible, pilot countries and OBPs will take part in the demonstration.

Please register [here](#) and note that the number of participants is restricted to 300 attendees. The session will be recorded and shared with the community afterwards.

Kindly be reminded that OBP SPOCs or SPOC Assistants can request access to the AMS Portal for users of their organisation by completing this [template](#) and sending it to the EMVO helpdesk with "AMS Portal access request" in the subject line.

Please refer to the AMS FAQs and AMS Manual available in your OBP Portal under step 4.1, "Technical Info Pack", sub-folder "AMS" should you require more information on the project. In addition, we invite you to subscribe to the AMS Newsletter using the following [link](#) to receive regular updates.

Should you have any questions, please do not hesitate to reach out to our Helpdesk.
