

**LETTER OF ANNOUNCEMENT**  
**Status of packs intended for the Greek & Italian markets**

29<sup>th</sup> July 2022

EMVO was informed that some OBPs are distributing packs to Greece and/or Italy while decommissioning them to “**exported**” in the EMVS.

We would like to remind you that the status “**exported**” should only be used for packs which are intended for markets outside of the EU, EEA, Switzerland & UKNI.

Therefore, **the status “exported” should not be used for packs intended for the Greek and/or Italian markets.** Please keep the status of such packs as “**active**” in the EMVS.

Should you have any questions, please do not hesitate to contact our Helpdesk.
