

**LETTER OF ANNOUNCEMENT**  
**EAMS officially live & upcoming releases**

1<sup>st</sup> March 2023

Further to the [Letter of Announcement](#) shared on 9<sup>th</sup> February, EMVO is pleased to confirm that the **European Alert Management System (EAMS) Hub is officially live as from Thursday 9<sup>th</sup> February 2023.**

Following the “go-live” of the system, it came to EMVO’s attention that some improvements are required. Based on these findings, **EMVO deployed a new version of the AMS Hub on Friday 24<sup>th</sup> of February and is working on new versions of the AMS Portal and the AMS Hub which will be released soon.** The Release Notes for the AMS Portal and the AMS Hub are available [here](#).

EMVO will inform you as soon as the upcoming versions are deployed in Production (PRD). In the meantime, the team continues to work diligently in resolving the issues and further improving the system.

To receive regular updates on any developments in relation to the EAMS and the status of the connected markets, please **subscribe to our monthly EAMS Newsletter** [here](#). Alternatively, we also invite you to **subscribe to the European Medicines Verification System Information (EVI)** [here](#) to receive immediate updates related to the EAMS.

Should you have any questions, please do not hesitate to contact our Helpdesk.
