

LETTER OF ANNOUNCEMENT
Microsoft performance issues

20th October 2023

EMVO was informed that Microsoft is experiencing performance issues which could potentially impact all Microsoft services. Microsoft is actively investigating the problem and will share updates soon.

In the meantime, EMVO is closely monitoring the performance of the EU Hub, which currently remains stable. We will continue to keep you updated and provide further information in due time.

Should you have any questions, please do not hesitate to contact our Helpdesk.
