

LETTER OF ANNOUNCEMENT
Resolved – Microsoft performance issues

20th October 2023

Further to the [Letter of Announcement](#) shared earlier today, EMVO is pleased to confirm that after a few hours of monitoring there has been no further issues noticed or reported.

Microsoft have confirmed that the root cause was a power outage which affected multiple services within the West Europe region.

EMVO is still closely monitoring the performance of the EU Hub, which currently remains stable.
