

**LETTER OF ANNOUNCEMENT**  
**AVAILABILITY OF HUB 2 IN IQE AND PRD – EMVO GATEWAY NEW RELEASE**

Dear On-boarding Partners,

EMVO Team is glad to announce you that on **the 6<sup>th</sup> October 2017**, in addition to the Test Environment (ITE), the **Hub V2** will now be available in EMVO Quality Environment (IQE) and EMVO Production Environment (PRD). This concerns both for the Direct and Gateway connections.

This new release provides the basic capabilities enabling the creation and management of Products by Manufacturers (MAH) and Parallel Distributors and the distribution of the data to participating National Systems.

Please note that the connection to Hub 1 will therefore not be available anymore as from the 5<sup>th</sup> October 2017.

Moreover, EMVO is also glad to announce that a new release of **EMVO's Gateway** will take place on the **6<sup>th</sup> October 2017**. This updated version contains improved and enhanced features.
